The full cost of education for a St. Anastasia student during the school year is higher than the rate of tuition. The difference in cost and tuition is made up from fundraising and the Panther Fund. After school care, athletics, musical, field trips and other extra curricular activities will have separate fees. 8th Grade Families can anticipate fundraising or paying an 8th Grade graduation fee to cover particular 8th grade expenses.

Eligibility for Parishioner Rate

The philosophy behind the Parishioner discount is that parishioners, who already contribute to the church collections should be given help in sending their children to the parochial school. A parishioner is a registered family who is a regular contributor to the parish in time, talent and treasure. Parishioner status is determined through:

1. Attendance at Sunday Mass at St. Anastasia on a regular basis.
2. Contributions weekly to the financial support of St. Anastasia Parish through our envelope system and/or online giving system. The weekly contribution goal is \$25/week which works to a contribution to the Parish of \$1,300.

Parishioner status is evaluated on a bi-annual basis at the discretion of the Parish Finance Council and Pastor. For those parishioners who may experience financial difficulty by this, the parish will offer assistance. Please contact the parish office.

Parent Service Hours and Fee

At the time of enrollment, families will pay the \$450 Parent Service Fee. We ask each family to volunteer at least 40 hours (30 hours for single-parent families) with at least 3 hours towards the Parish Ball. The Parent Service Fee will be rolled over for parents who complete the 40 hour requirement by Friday, June 6, 2025.

We are also offering the choice to opt out of volunteer hours for a fee of \$1000 per family for the 2024-2025 school year. This fee is due by July 19, 2024. This is an annual fee and it is subject to change each school year. This is not tax-deductible.
